### Service Plaques

When the class of 1944 was graduated, it left as a gift to the school two Honor Roll plaques, which hang on the back wall of the assembly.

They are colored in blue and gold, and bear the names of former Northville students who are now serving our country.

Our class of 1945 has added many new names to these plaques.

Let's be frank. It's not proper to pat ourselves on the back for our work on this book. We must present it for what it's worth, hoping that the readers will enjoy the photographs and articles, and that they will overlook its faults.

We will admit that we became discouraged at times but all in all we got a big kick out of working on it.

We whole-heartedly thank Mr. Yahne for his excellent supervision.

# TRIBAL HISTORY

The class of "45" was introduced into our High School Career by the Sophomore class, which honored us with a party. Our entertainment consisted of refreshments and music on records.

We took on few duties this first year. At our first meeting we elected officers: President, Harry German, Vice President, Dorothy Steinger, Secretary, Loyola German, and Treasurer, Mary Ellen Babbitt. Miss Brassfield and Miss Palmer acted as our sponsors.

In January of this first year, we gave a short comedy called 'Romeo and Juliet'. To end this first year we enjoyed ourselves at an outing at Island Lake.

The doors of N.H.S., were reopened again the following fall. We elected Robert Ely as our President, Shirley Ely, Vice President, Margaret Ely, Secretary-Treasurer. The 'Ely Clan' guided us through our second year of High School. Miss Lovell and Mr. Yahne were our sponsors.

We honored the on-coming Freshmen with a party in our gym. Music was furnished by John Stark's orchestra. Refreshments were also enjoyed. This year, we sponsored a few dances, adding a little money to our treasury. During this year we selected our class rings, which were of onyx and gold. The doors of N.H.S. were then closed on June 14th.

In our Junior year we chose as our officers: President, Merritt Meaker, Vice President, Don Stobbe, Secretary, Loyola German, and Treasurer, Gwen Howell. Miss Giltner and Mr. Oliver overseeing our projects.

Our first big project was to sell magazines. Then our Jr. Play, 'Here Comes Charlie' came along, which was a big success. The profits amounted to \$246.00. The time was slipping by rapidly. We made plans and chose committees for our J-Hop. Phil Brestoff and his orchestra furnished the music for this affair. The decorations were exceptionally nice.

After the graduation exercises of the class of "44", to which we donated flowers and usherettes, we held our class picnic at Whitmore Lake on June 14th.

Now we have just about reached our goal. This year we have 66 members. We chose as our officers: President, John Kremkow, Vice President, Merritt Meaker, Secretary, Gwen Howell, and Treasurer, Betty Snow. We chose Mr. Yahne and Mr. Mollema as our sponsors.

Our Senior Prom was given on November 24th. Decorations were that of a circus. The music was furnished by Stan Howard and his orchestra.

To add money to our treasury we sold potato chips through-out the year and sold pop at a few of the school dances.

We added names to the Honor Roll in the assembly. We presented the play 'Relatives By Affection' in May. It was a big success.

We, the class of "45", thank John Kremkow, now in the Navy, for his fine leadership as president of our class.

As we have finally reached the top, and are ready to go out into the world, let us always look back at the good times we've had at N.H.S. We wish each Senior 'good luck' as he leaves the steps of N.H.S.

Every year the Juniors have sold magazines. This year they undertook this project and earned over \$200. When the month of February rolled along they sponsored a Valentine Dance. Everyone wore red and white and we had a lot of fun. Later the big event arrived, the J-Hop! The various committees were headed by Julia Lewis, John Schroder, Glen Hardesty, Stella Poulos, Howard Walling, Linwood Snow, Joe Felber, Bob McKeague. The gym was decorated as Holland, with tulips and windmills, while the music was furnished by Johnny Herbert and his orchestra. All in all, the Juniors have led a very exciting year.

The seventh grade has taken part in many activities during the past year. We have had many programs in which we sang, recited poems, played favorite instruments and saw movies about Health and the Red Cross.

The seventh grade has had two parties. One of the parties at Christmas and the other for St. Valentines Day. Our grade has gone on two hikes, both taken during General Science Class. On our last hike there was a race between the girls and boys to see who could get the most insects and other creatures. The boys won.

Everyone participated one hundred per cent during the Red Cross Drive and the Stamp and Bond

The Latin Club is the oldest of our language clubs, having been organized by Miss Palmer in 1933. The purpose of this club is to provide means of studying Roman customs and to foster a spirit of friendliness and cooperation between the Latin students.

Last fall the new members were initiated, being required to make and wear authentic Roman costumes. They also took the part of servants at the traditional Roman Banquet.

The members of the club selected a pin last year which will be used for the duration of the club. The club plans to visit the Archaeological Museum in Ann Arbor.

Le Cercle Francaise is open to anyone who has taken French, is now taking French, or is interested in the language and customs of France. The purpose of this club is to promote a better understanding of the French people and customs.

The club meetings are held every month at the homes of the members where French games are played and French songs are sung. Frequent luncheon meetings are held at noon.

The club subscribed to La Voix de France, a French newspaper.

The club also gave a Christmas program in costume for the Grade School teachers, singing the traditional French carols.

On December 1st, the club gave a Sadie Hawkins Dance in the High School Gym which proved to be very successful.

The Spanish Club was organized in October 1943 to provide worthwhile social activities for the past and present students of Spanish.

This year the club got off to a rollicking start with a picnic and initiation for new members, which was held at the park. It was enjoyed by all, especially the old members.

January 13th we held a toboggan party in the park and a fine hot supper in the school kitchen.

The Biology Club was organized in 1941. The purpose of the club is to further the interest of the students. It has continued now into 1945 and is always open for new members.

Each year we try to have activities that will be interesting to us. Prior to the war we took short trips to art museums and places of interest. We are now planning a dance which we hope will finance spring activities.

We would like to hear from any past or present students of Biology who are interested in our club.

The Library Club was organized three years ago under the direction of Miss Palmer. Membership is open to any student above the ninth grade who is interested in library work.

The purpose of the club is to acquaint the librarians with library practice and procedures. The staff meets each Tuesday morning at 8:15 to discuss the problems of the library. Last year we purchased pins in the form of an open book, with a torch of learning as a guard.

This year the library has been enlarged by altering the classroom which had been next to it.

The Senior Play "Relatives by Affection" was presented on May 3 and 4 to large audiences. It was directed by Miss Vickland with the assistance of Miss Karvakko. Mr. Yalme and Mr. Mollema helped supervise the play.

It is a story about Shirley Evans, who writes a literary masterpiece of twenty words and wins a six months trip to the Orient. While there, who is saved in a bombing raid by a young Chinese gentleman. Because of the custom of the Chinese his parents believe that he and Shirley should marry. These circumstances bring forth an interesting plot for all the characters involved.

The play was very successful and was enjoyed by all.

This season, Northville had what is called an off and on football team. Losing the first two games to more experienced teams, we came back to Northville for our first home game which we won. Then back abroad we went, dropping a game to Redford Union after a stiff first half. From there we went to Holly and, although most of the team was injured in some way, we showed real grit and fight by winning by a score of 12 to 0 in a last quarter spree. The team came home for the last two games, losing the first to a very superior Farmington eleven, and then gaining vengeance by swanping the Brighton team by a score of 26 to 0 thus closing the season in a blaze of glory. The first string players graduated this year are: David Amerman, Otis Cox (Honorary Captain), Earl Croll, Perry Graham, Don Gross, James Howarth, John Kremkow, and Merritt Meaker.

## Basketball Squad

Difficulty was ours as the basketball season rolled around. It was not only in the matter of obtaining satisfactory equipment, but also in the shortage of coaches. During the season our team had three coaches, which made victory extremely difficult. But the fellows succeeded in giving us three victories out of sixteen games.

This year was the last year on the team for Dave Amerman, Earl Croll, Perry Graham, Dick Green, John Kremkow, Don Gross, Dick Ritchie, and Fred Wick.

This is the second year we have had track in Northville High and we prophesy a winning team at the various meets.

We plan meets with Plymouth, Farmington, Holly, Milford, Walled Lake, and Redford Union. On May 25th we will compete in the League meet at Ypsilanti.

We hope to have boys entered in the following events: 100 yards, 220 yards, 440 yards, 880 yards relay, 200 yard low hurdles, high jump, broad jump, shot put, and pole vault.

## Cheer Leaders

Three new girls have been added to this group this year. The cheer leaders have introduced new yells and have put forth much effort to lift the spirit of the students.

A farewell party was given for: Peggy Ely, Shirley Ely, Mary Ellen Babbitt, Isabelle Beall, and Dora Plybon who are graduating this year. We wish these girls "good luck" and thank them for their spirit and efforts.

This is the first year that the cheer leaders have been organized into a club. In the future the club hopes to secure a sponsor and to enlarge its membership and activities.

# Orchestra

Gotts Jerore Masters Meaker Stark Talmage

Northville High School was without a dance orchestra for a long time. As the war continued and outside orchestras were more difficult to find, these students, under the original leadership of Mrs. LeCronier began to practice. After she moved away Mr. Potter took over the orchestra. It is now directed by Mr. Stassen. They play at most of the Friday night dances, which are given in the gym.

We will always remember —

Mr. Harrison  
I don't think you're  
taking the right  
attitude —

Miss Giltner  
That's right, isn't it?

Miss Palmer  
Un peu de silence, s'il vous plait!

Miss Vickland  
Act your Age!

Mr. Page  
Now, bear that  
in mind...

Mr. Lee  
Now let's sing it the way it was written

Mr. Meaker  
Now in Synacree....

Mr. Mollema  
For example —

Mr. Yahne  
Oh, come now!

Miss Burrell  
On the floor —

Miss Karrakko  
That's O.K.

Mrs. Cooke  
Pack your books..... there's the door!

Mrs. Lapham  
Can't you talk in a  
whisper?

Mr. Oliver  
You've got to be  
specific!!

Miss Garlick  
My goodness —  
What is it?

## WOLFE'S HOWLS

There is a boy that goes to school,  
He sees a girl and begins to drool.  
Of course you know his name is Harry,  
When they look at him he gets red  
as a berry.

And then there's Donna with a voice,  
That seems to attract all of the boice.  
They listen to her and they swoon and sway,  
But they'd better stay out of Merritts way.

Now there's one with magnificent marks,  
The envy of others, who cast bad remarks,  
Now is this Jane Ann or Rose Marie?  
Wait 'til graduation, you will see.

As President of the Senior class,  
He's always in front of the looking glass,  
But Johnny's black, wavy hair,  
Is something that the Navy won't spare.

Why isn't S. Ely satisfied  
To have a Northville boy at her side?  
Could it be that she's a U. of D. fan,  
And has little desire  
For "just any" man?

Now Tootie is the perfect cook,  
She can cook without a book,  
She gives Don the food,  
and he, right away,  
Feeds the chickens their meal  
For the day.

I 'spose you've heard about Lyke,  
Who can,  
Keep up the morale of all Service-  
men,  
But she will learn that more  
than one,  
Can ruin her line and spoil  
Her fun.

Gross is new in Northville  
This year,  
But it didn't take long to meet  
The girl's here.  
After a few days he took Peg  
On a date,  
So now it seems he has met his fate

I'll end this poem with a little  
Advice to our Navy-bound Mayor,  
Who the girls think is nice:  
Control yourself, Dave,  
Don't fight with Joanne,  
Or she's likely to leave you,  
For some other man.

### Miss Giltner's Dilemma

Gwen, with punctuation sloppy;  
Earl, whose touch is fierce and choppy;  
Dear Jean, whose concentration wavers;  
And Donna, with gum of different flavors;  
Peggy, always out of paper;  
Mae, whose margins gently taper;  
Merritt, unconcerned with spelling,  
Whose speed tests make me feel like yelling;  
Julia's shift key tricks are jumpy;  
Alice, sitting glum and humpy--  
But the queen of pedagogic terrors:  
Joanne, who won't erase her errors.  
And I'm supposed--oh, thought that harries--  
To fashion perfect secretaries!
